- TV's \$15 / Computer Monitors \$10
 - Desktop PC \$10 / Notebook PC \$10
 - Printers/scanners/copiers \$10
 - Keyboards \$5
 - Mice/Cables/Misc at no charge

Regional Household Hazardous Waste Collection Day *for the Towns of Brentwood, Fremont, Kensington, Sandown and South Hampton*

**Date: Saturday
September 8, 2007**

Time: 8:30 am to 12:00 noon

**Place: Brentwood Highway Shed
207 Middle Road (Route 111A)
Brentwood NH**

**Your Drivers license is required as
proof of residency.
Quantity Limit per Household:
10 gallons or 10 pounds.**

HOW CAN I BE SAFE IN TRANSPORTING THESE HAZARDOUS MATERIALS ?

Before transporting hazardous waste to the
collection area, be sure that:

- The waste is in its original container;
- The containers are sound and not leaking. (If a container is leaking, place entire container into a larger container of the same type).
- Products are packed closely in a sturdy open box so they will not spill. Do not use plastic bags.

NEVER MIX DIFFERENT MATERIALS!
Keep anti-freeze, waste oil, and other auto
products separated.

WHAT NOT TO BRING:

- ~ Latex paint (Latex paint is not hazardous when dry.) Open cans of latex paint, leave open until all paint is dried out, then dispose of dried can and lid in the garbage. To aid in drying large amounts, stir in some kitty litter).
- ~ Ammunition, fireworks, explosives
- ~ Radioactive wastes
- ~ Gas grills/tanks
- ~ Infectious & biological wastes
- ~ Commercial or industrial wastes
- ~ Smoke detectors
- ~ Auto, other wet cell batteries
- ~ Tires
- ~ White goods
